## THERAPEUTIC RATIONALE

ARTHRELLA tablet is a "Disease Modifying Anti-Rheumatic Drug". *Suvarna Mandal* has immunomodulatory property and has a disease modifying anti-arthritic role. *Boswellia serrata* and *Vitex negundo*, the main ingredients of ARTHRELLA tablet, are powerful anti-inflammatory and analgesics. *Ricinus communis* increases bone regeneration. *Oroxylum indicum*, *Cyperus rotundus*, *Zingiber officinale* are potent anti-oxidants and thereby exhibit anti-inflammatory effect. *Strychnos nuxvomica* and *Hyoscyamus niger* have sedative and analgesic activities. Thus, ARTHRELLA is a comprehensive anti-arthritic and remission inducer.

## INDICATIONS

- Rheumatoid arthritis
- Polymyalgia rheumatica
- Rheumatism
- Soft tissue rheumatism

## DOSAGE

One tablet thrice a day

Once the active phase of rheumatoid arthritis subsides, the patients may be maintained on one tablet twice a day to prolong the remission.

## PRESENTATION

Blister pack of 30 tablets

Important Ingredients	Action
Suvarna Mandal	Immunomodulatory, anti-arthritic
Eranda Tel	Increases bone regeneration
Shallaki Guggul Extract, Nirgundi	Anti-inflammatory, analgesics
Shyonak, Motha, Shunthi	Anti-oxidants, anti-inflammatory effect
Vishmusthi, Parsik yawani	Sedative and analgesic

# ARTHRELLA TABLETS

*A potent topical anti-inflammatory, analgesic and counter-irritant*

## COMPOSITION:

<b>Extract of the following:</b>			
Vitex negundo Wh. Pl.	4.3	Nirgundi	Anti-inflammatory, Analgesic
Acorus calamus Rz.	2.15	Vacha	Anti-inflammatory
Hyoscyamus niger Sd.	2.15	Parseek yawani	Anti-inflammatory
Caesalpinia bonducella Sd.	2.15	Lata karanj	Anti-inflammatory
Curcuma amada Rz.	2.15	Ambe haldi	Anti-inflammatory
Cedrus deodara Ht. Wd.	2.15	Deodar	Anti-inflammatory, Analgesic
Nyctanthes arbor-tristis Lf.	2.15	Parijat	Anti-inflammatory
Oroxylum indicum Rt.	2.15	Shyonak	Anti-inflammatory, Analgesic, Diaphoretic
Withania somnifera Rt.	2.15	Ashwagandha	Anti oxidant
Datura metel Lf.	1.075	Dhattur	Analgesic, Nervine stimulant
Aconitum ferox Purified Rt	1.075	Vatsanavh	Analgesic, Nervine stimulant
Strychnos nux-vomica Purified Sd.	1.075	Kuchla	Analgesic, Nervine stimulant

## THERAPEUTIC RATIONALE

ARTHRELLA ointment is a potent topical anti-inflammatory, analgesic and counter-irritant.

*Camphora officinarum, Mentha piperata, Gaultheria fragrantissima and Capsicum annum*, the ingredients of ARTHRELLA ointment are counter-irritants and help relieve pain immediately. *Nyctanthes arbor-tristis, Oroxylum indicum, Withania somnifera, Curcuma amada, Vitex negundo* are analgesic, anti-inflammatory medicines. *Purified Strychnos nux vomica* and *Hyoscyamus niger* are sedative and analgesic in action. *Caesalpinia bonducella* has antipyretic and antinociceptive properties. The counter-irritants in ARTHRELLA ointment also help the absorption of the anti-inflammatory ingredients through the skin. Thus ARTHRELLA ointment relieves pain immediately, reduces inflammation rapidly and restores mobility instantly.

## INDICATIONS

Pain associated with osteoarthritis, rheumatoid arthritis, cervical spondylosis, frozen shoulder, sprains, sports injuries and myalgia.

## USAGE

To be applied locally, 3-4 times on the affected area.
