THERAPEUTIC RATIONALE

VIGOMAX FORTE is a rational aphrodisiac formulation for male sexual dysfunction.

Mucuna pruriens is a nervine tonic that facilitates the neurological conduction of sex impulse to the sex organs. *Terminalia Arjuna* increases blood flows to sex organs and facilitates erection. *Tribulus terrestris* and *Withania somnifera* aid the mechanism of action of nitric oxide (NO) thus induce erection. The above herbs are also potent antioxidants that help improve general health. *Orchid latifolia*, *Chlorophytum arundinaceum*, *Ricinus communis* are natural aphrodisiac. *Withania somnifera* is an anxiolytic and antioxidant.

Overall, VIGOMAX FORTE improves blood circulation to the sexual organs, promotes strength and stamina and restores sexual health and improves vitality.
